OUR SPECIAL RECIPE

MATCHA MILK TEA

[OUR MENU](#)

The highest quality ingredients and world-class recipes.

Our Oolong tea, for example, is brewed with tea leaves from Taiwan & Fujian. The leaves are grown at the latitude of 23 degrees on the mountains, the constant temperature of the forest makes the best tea plants. Thus we name it as "No. 23 Oolong Tea".

MENU LOCATIONS ABOUT CONTACT

Tea is more than just a beverage, it's a culture.

R&B TEA is a tea concept that aims to redefine the tea experience today. With fresh fruits and natural ingredients, there are more than 30 low-sugar concoctions ranging from fruit-loaded brews, mochi-like tea capped with softy tea infused milk foam or choice cream to our signature Brown Sugar Boba series.

A global success, over 800 locations and still growing!

R&B is a global phenomena. We have over 800 locations worldwide, spanning from Asia to America. We are expanding to more places in the world. Soon enough, there will be R&B Tea at every corner in the world. We hope you can experience our recipes whenever you go.

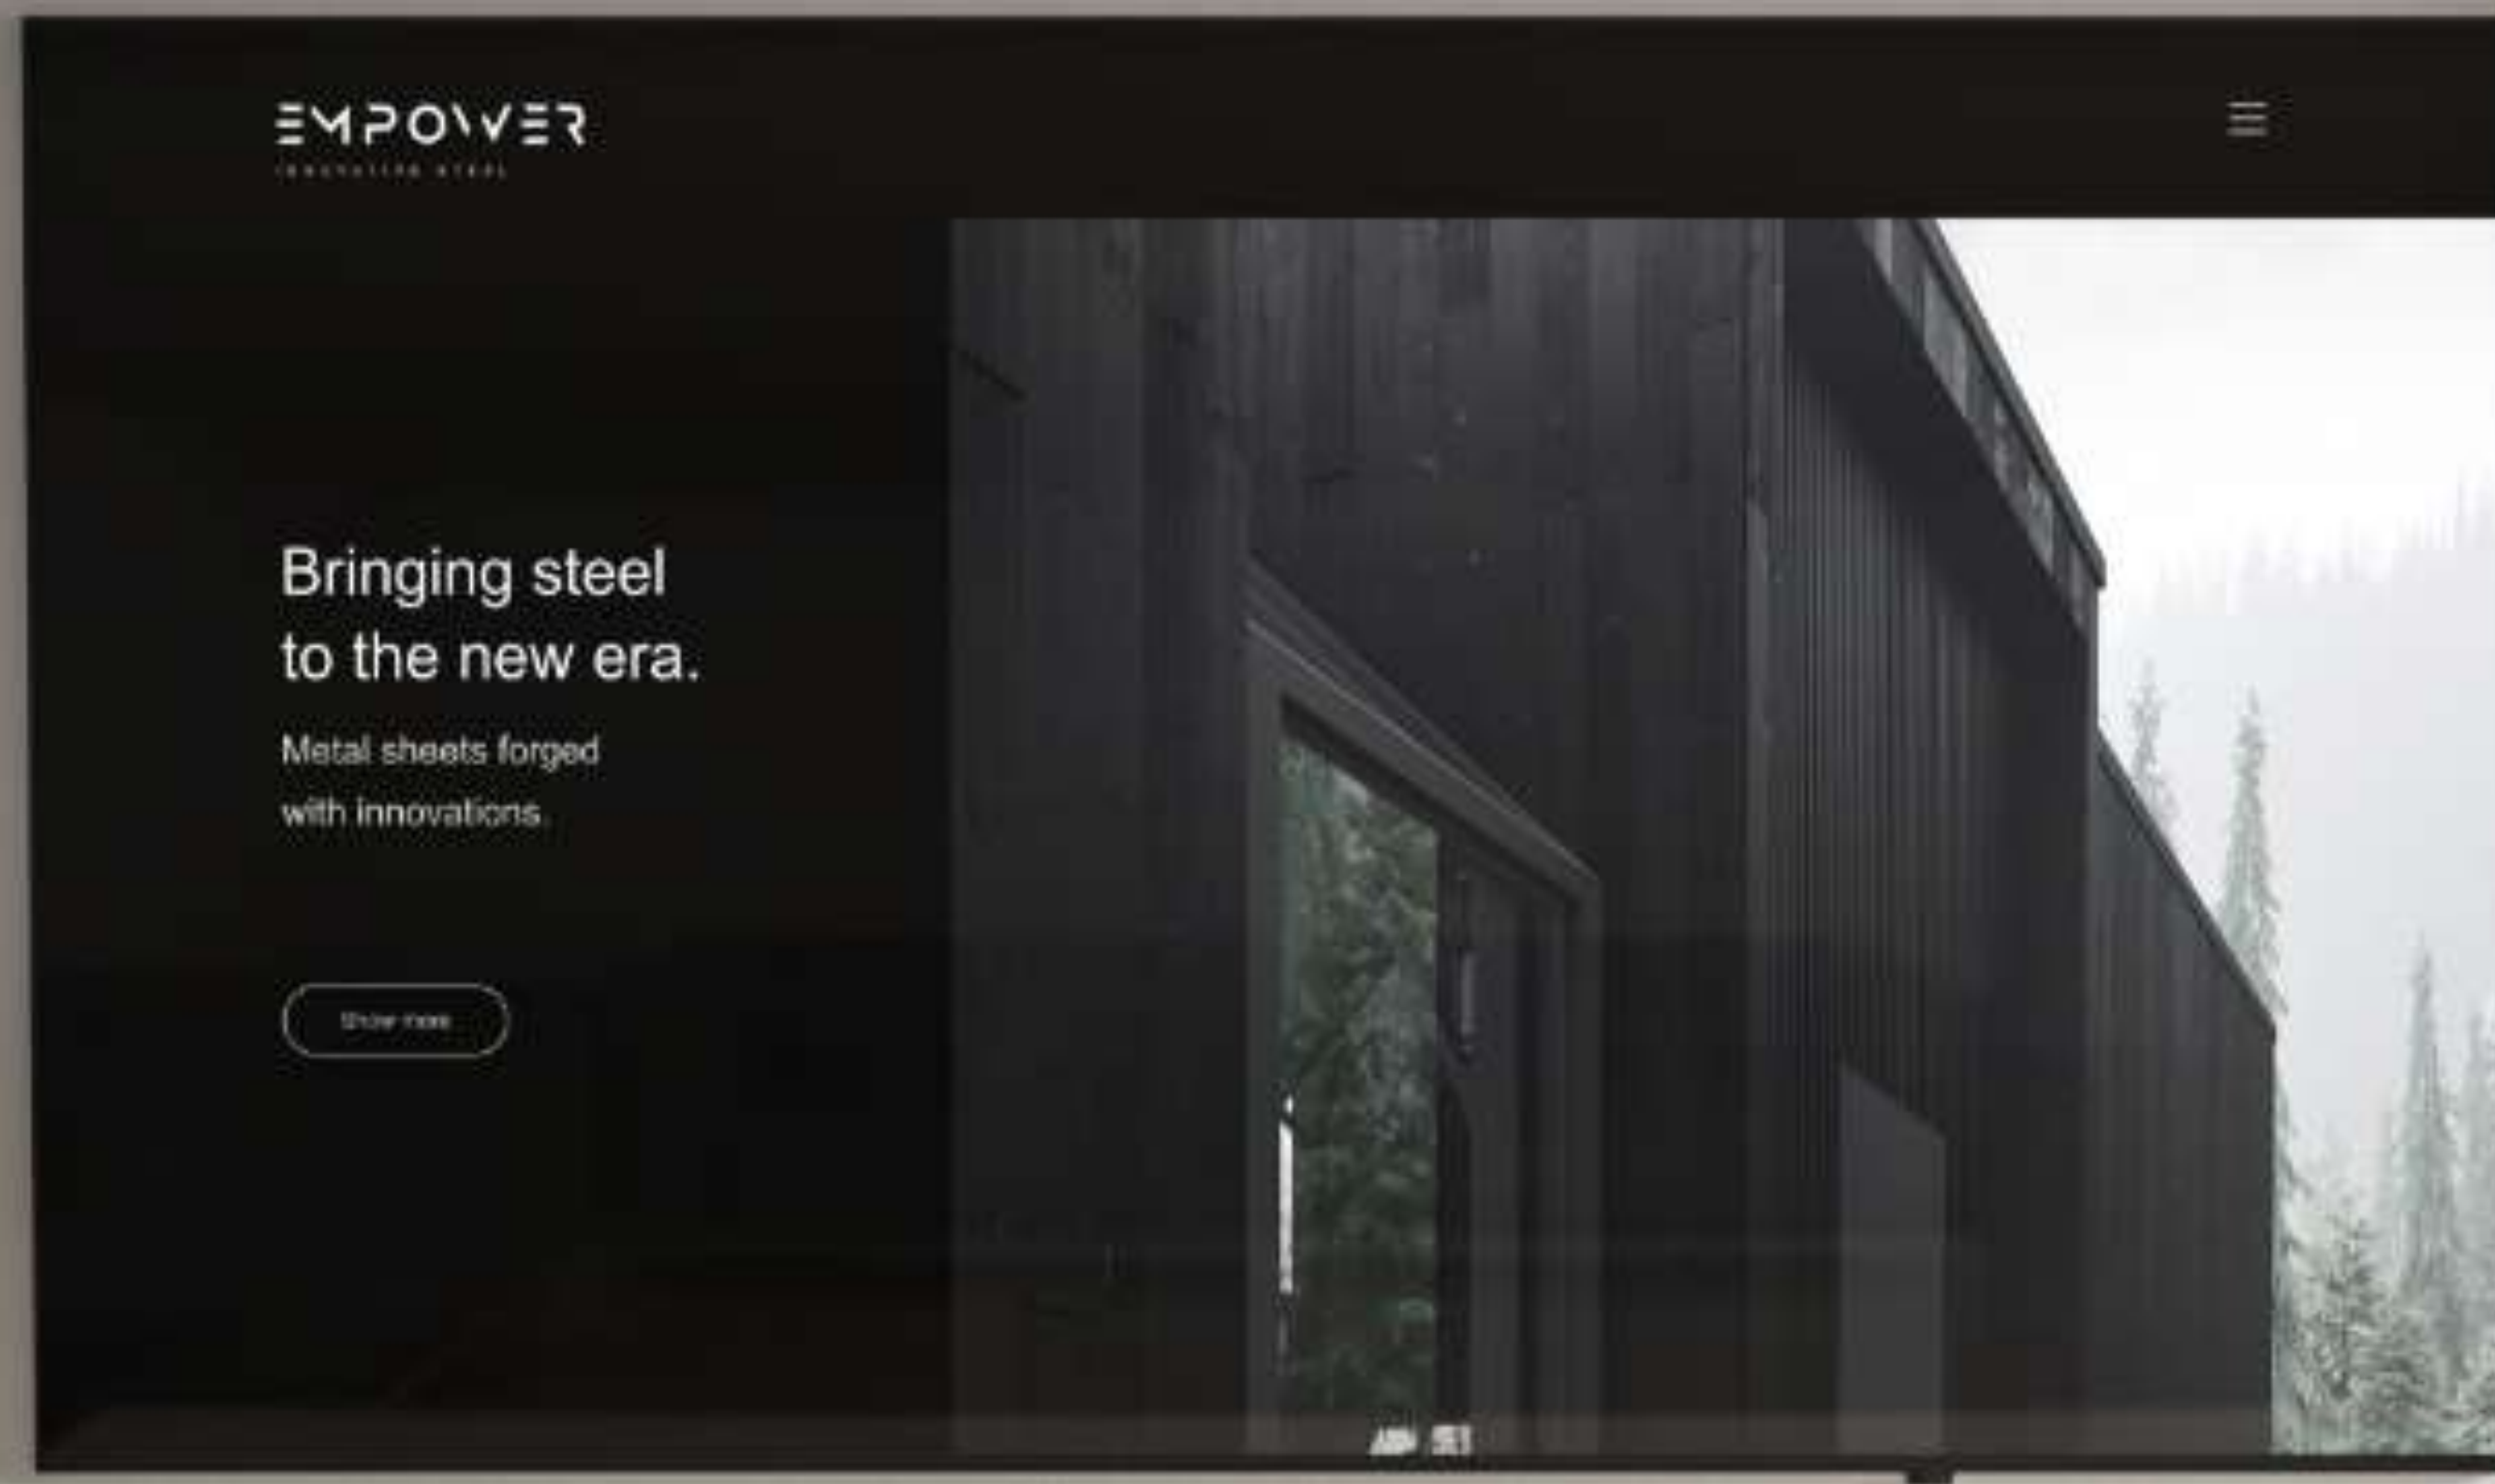

Our tea origins are from Ceylon in Sri Lanka, Nansou in Taiwan, Fujian & Zhejiang in China. Currently, our stores are opened in Taiwan, Cambodia, Vietnam, Singapore, Malaysia, and the USA.
